Subject: Letter of Recommendation for Volunteer Service - **Ei Thinzar Naing**

It is with sincere appreciation that I write this letter of recommendation for an individual who has served as a dedicated volunteer at the Meridian Education Institute (MEI). Throughout the assigned period of service, this individual has consistently demonstrated a high level of responsibility, integrity, and commitment to the values and vision of our organization.

MEI is a youth-led, non-profit educational institute that upholds a strong standard of service, collaboration, and excellence. Volunteers at MEI are not only expected to perform routine tasks but are also entrusted with meaningful responsibilities that contribute to the development and execution of educational initiatives aligned with the Sustainable Development Goals. This individual has fulfilled such expectations with professionalism and diligence.

In addition to technical competence, this individual displayed excellent communication skills, adaptability to dynamic situations, and a willingness to assist wherever needed. A strong work ethic, combined with a proactive attitude and the ability to work well in a team, made this volunteer a valuable asset to the organization.

I am confident that the same qualities demonstrated at MEI will bring value to any future academic, professional, or civic endeavor.

Sincerely,

Pyae Phyo Tun
